RE: Response to GGNRA Alternatives

At its regular meeting on June 16, 1977, the City Planning Commission heard and generally endorsed the attached Memorandum, "Staff Response to GGNRA Alternatives."

The Commission requested that these comments be forwarded to you during your public meetings, even though it regards the comments as preliminary and anticipates a continuing participation in the planning process for the park. The Commission intends to review the final plan and receive testimony on it in order to indicate City policy to you as set out in the Memorandum of Understanding between the City and County of San Francisco and the GGNRA.
